SAINT PAUL'S VOICE August/September 2010

We have a new bishop, The Rev. Wolfgang D. Herz-Lane. He was elected at the Synod Assembly that was held June 10 -12. His current position has been the Assistant to the Bishop as Director for Evangelical Mission since February 2009.

His church membership has been with the Spirit of Life Lutheran Church in Wilmington, Delaware. He is married to a Lutheran pastor and has two grown children.

The Bishop-elect was born in Germany in 1954. He graduated from Rutgers University-Camden College with a BA in Arts and Science and received his MSW in social work from Rutgers University Graduate School. In 2001 he received his M. Div. degree from the Lutheran Theological Seminary in Philadelphia was ordained in 2001.

For 12 years he was on the ELCA church-wide staff as Mission Director. He was also a voting member of Church-wide Assembly and also a member of Synod Council for the New Jersey Synod. Some of his community activities include: a member of the Baltimore Council of Foreign Affairs, Founder of "Frank's Place" a shelter for the homeless in Camden, New Jersey, and a founding member of Camden Lutheran Housing Corp.

Bishop-elect is very mission oriented. He is a visionary, has good communication skills, and administrative skills. He has drive and energy for ministry and has a passion for the Gospel of Jesus Christ. His leadership style is participatory because he says he functions best as part of a team making decisions on factual information rather than emotions.

In preparation for his term as bishop which begins September 1, he has scheduled twelve "Mission Conversations" throughout the synod. There will be one at Carroll Lutheran Village, September 25 at 2 p.m. that will last for 90 minutes. Pastors, rostered leaders, lay leaders and members of every congregation are welcome and encouraged to attend. I do hope some of our members will do so. We will hear about his vision for the synod and he will answer questions and offer feedback.

One thing he wants from us is to be prayer partners. As a prayer partner we are to lift up the ministry of the synod bishop and God's mission on this territory once a week on a day we choose. He will give us updates on prayer concerns. His goal is to sign up 1,810 prayer partners, 10 each of the 181 worshipping communities in our synod. I have taken this to council and a decision will be made as to what day our church members will intentionally pray for the bishops' work and our mission.

We congratulate Bishop-elect Herz-Lane and pray for his success in leading us in God's call for the work that is to be done.

Love in Christ,

Pastor Mel Stricklin

“Sure”, Clarence said, “I’m okay. I just went out to get a haircut.”

“Why didn’t you do that before you came to church?” the pastor asked.

“I didn’t need it then,” Clarence replied.

2010 Delaware-Maryland Synod Assembly

Herz-Lane elected bishop on fifth ballot

"Brothers and sisters, I want you to go out with me into the neighborhood and do mission and ministry on the street corners." With that call to action, the Rev. Wolfgang D. Herz-Lane, currently serving as an assistant to the bishop and director of evangelical outreach for the Delaware-Maryland Synod, accepted the call as bishop.

Herz-Lane was elected to a six-year term on the fifth ballot Saturday morning at the Synod Assembly, held June 10-12 at the Eisenhower Conference Center, Gettysburg, Pa. His opponent on the fifth ballot, the Rev. John D. Ranney, a retired pastor from Delaware, garnered 224 votes to Herz-Lane's 255.

A bishop is elected using a procedure called the ecclesiastical ballot, in which the first ballot serves as the nominating ballot. Some 98 names of ELCA pastors were proposed on that first ballot, taken Thursday afternoon as the assembly began.

The second ballot contained 43 names, from which the top seven vote getters went on to the third ballot. Those pastors were the Rev. James Cobb (Ascension Church, Towson, Md.), the Rev. Michael Dubsy (St. Luke Church, Hampden, Baltimore), Assistant to the Bishop Mary Miller-Zurell, Assistant to the Bishop Virginia Price, the Rev. John Sabatelli (Christ Church, Inner Harbor, Baltimore), Ranney and Herz-Lane.

The third ballot narrowed the field to three names to appear on the fourth ballot: Herz-Lane, Ranney and Sabatelli. Results of the fourth ballot showed that Herz-Lane received 224 votes, Ranney 168 and Sabatelli 116, which meant that Herz-Lane and Ranney would go on to the fifth ballot.

Interest in this year's election ran so high that the assembly attendance was record setting. As of Friday night, 642 people were in attendance: 548 voting members and 114 visitors.

Assembly approves \$3 million FSP

The election of a bishop was far from the only business on the mind of voting members. Over the course of three days, they discussed at length an array of resolutions and the proposed 2011 Faith Spending Plan (FSP), or budget. The assembly...

- approved, by a vote of 297 yes, 36 no, and 19 abstain, the **2011 Faith Spending Plan** as proposed by the Synod Council. The plan authorizes expenditures of slightly more than \$3 million.
- designated Nov. 21, 2010, Christ the King Sun-day, as **ELCA World Hunger Appeal Sunday** in the Delaware-Maryland Synod. Congregations were further encouraged to make support of the Hunger Appeal a year-round emphasis, with recognitions given annually at the Synod Assembly by the Hunger Mission Force to model congregations for their support of the appeal.
- designated July 18, 2010, as **Lutheran Volunteer Corps Sunday** in recognition of the 30th anniversary of that group.
- conferred upon the Rev. H. Gerard Knoche the honorary title of **Bishop Emeritus** of the Delaware-Maryland Synod.
- received the proposed **African Descent Strategy** for review and study and authorized that it be placed on the 2011 Synod Assembly agenda for adoption with financial support provided in the 2012 Faith Spending Plan.
- affirmed and celebrated the partnership between congregations and the synod as evidenced through **annual mission support** (benevolence), expressing its conviction that the level of mission support is best determined as a percentage of unrestricted, regular giving in the local congregation and should fall within a range of 10% to 30% of such offerings, with a tithe (10%) being the expected minimum contribution in most cases.

□ affirmed and celebrated the partnership between the Delaware- Maryland Synod and the church-wide expression, directing the Synod Council and Budget Development Committee to **move the synod from its current 53% mission support to 55%** over several years, reaching 55% in 2015. This means that, beginning in the 2015 fiscal year, 55 cents of every dollar the synod receives in mission support will be shared with the Evangelical Lutheran Church in America.

□ **condemned a rally to be held by the white supremacist group, Aryan Nation**, at the Gettysburg battlefield on June 19, calling for "continued prayer on the part of the church to boldly proclaim God's work of changing the hearts and minds of those who spread hatred and terror" and for "continued action on the part of the church to promote racial justice." The assembly's actions are to be communicated to several groups, among them local media, the National Park Service, the mayor, and the Aryan Nation.

□ referred to the Synod Council for action two resolutions: one calling on the synod to continue its **anti-racism work** in a number of ways and one dealing with **casino gambling at Gettysburg**.

VACATION BIBLE SCHOOL

The VBS is collecting school supplies for NESAP as their Outreach this year. Even if your child wasn't able to participate in VBS or your children are grown, you can still participate with us! Please bring wide-ruled notebook paper, graph paper, glue sticks, black composition books, markers, 3 prong folders with pockets, small pink erasers etc to Church Sunday, July 25th. These things can be purchased at Wal-Mart pretty inexpensively. After this week donations can be made directly to NESAP.

Please help NESAP and our VBS! Thank you!!

St. Paul's Vacation Bible School was held July 19 through July 23rd with twenty three young people from 3 years through 5th grade attending. A fun and learning experience was had by all sharing the good news of God's Love in an African environment. Students learned how to Trust, Love, Care, Share, and Follow the Lord through Bible stories, crafts, music and science.

We thank Diana Guthall who made all the wonderful animals and to everyone who helped this year to make our VBS a big success.

June 28, 2010

Sisters and brothers in Christ,

The oil spill in the Gulf of Mexico is both heartbreaking and infuriating. It causes deep sorrow, both for the initial loss of human life and for the deep and lasting damage to an ecology that provides life and livelihoods for so many of God's creatures. At the same time we grieve that the natural beauty of this region, a sign of God's marvelous creativity, has been defiled.

Moving to indignation and anger over the neglect and carelessness that led to this disaster, both in private industry and in government regulation, is understandable. However, to do so without recognizing the responsibility we all share -- as consumers of petroleum products, as investors in an economy that makes intensive and insistent energy demands, and as citizens responsible for the care of creation -- lacks credibility and integrity. An honest accounting of what happened (and what failed to happen) must include our own repentance.

Nonetheless, God remains faithful in restoring the creation and human community. Among the voices that despair and condemn, we have a witness of hope to proclaim.

First, God, who made the creation and made it good, has not abandoned it. Day after day God sustains life in this world, and the powerful vitality of God's creation, though defiled, is not destroyed. The life-giving power of God's creative goodness remains at work, even in the Gulf of Mexico. The Spirit will continue to renew the face of the earth (Psalm 104:30, as we just sang at Pentecost). All who care for the earth and work for the restoration of its vitality can be confident that they are not pursuing a lost cause. They serve in concert with God's own creative and renewing power.

Moreover, the human family need not drown in a flood of suspicion and recrimination that is more toxic and more lasting than the oil that floods the Gulf can ever be. The cleansing waters of baptism in Christ -- who died not for the righteous, but for the unrighteous -- bring forgiveness and reconciliation with God. In this reconciled life with God we have the freedom to move beyond mutual condemnations and hostility to give a powerful witness of a reconciled community that lives in service of the creation and the neighbor. By refusing to surrender to the toxicity of recrimination, we can convince others that they can join us safely in the life and service of this community.

Responding to a challenge of this size and complexity will call upon countless insights and skills, embodied in hundreds of occupations and trades, and upon the collective strength and will of us all. God's Holy Spirit has abundantly blessed the human community with the gifts needed to do this work. We can do it with sober confidence, good will and even joy.

There are times for mourning and for repentance, as well as for reconciliation and commitment to the creation's care. They come at different moments for different people. As you serve in your communities, I commend to you resources for [worship](#), [study](#) and [action](#) that express the hope of Christians who see God's creative goodness, Jesus' forgiving reconciliation and the Spirit's abundant gifts for service. This is a moment when the human community needs to hear a word of true hope, and we have one to speak.

The Lord is gracious and merciful, slow to anger and abounding in steadfast love.

The Lord is good to all, and his compassion is over all that he has made.

- Psalm 145:8-9

In God's grace,

The Rev. Mark S. Hanson
Presiding Bishop
