## “From the Pastor”

It is late January, and Lent is still more than a month away. Perhaps I have said this before, but Lent is still more than a month away. That fascinates me because it says that once again Easter will be about as late as it can be (little chance for a Palm Sunday blizzard, although with the effects of climate change on local weather, you never really know anymore). I am looking forward to an Easter with lots of Spring color.

All that is very much beside the point because I want to talk about Lent even though it is more than a month away. In the earliest centuries of the Christian era Lent was a time of preparation for Baptism for those new to the faith. It was a time of instruction and prayer. Eventually Lent became a time for penitential preparation by everyone for the Holy time approaching Easter. Throughout the centuries that emphasis has swung back and forth... sometimes with more emphasis on working toward a deeper understanding of faith and the cross, while other times found large portions of the Christian community assume that they knew as much as they needed to and worked instead on simple religious devotion. And then there were those long periods when everyone seemed focused on everything but faith.

Beginning on Ash Wednesday, we will gather to contemplate devotion in a very different culture than the one that Jesus complains about in Matthew's picture of temple prayer life. Then on the next five Wednesdays we will combine brief prayer services with discussion of the central event of Christianity... the event that St. Paul describes as "a stumbling block to the Jews and foolishness to the Greeks." How can apparent defeat and failure be the opening act in the drama of new creation? Perhaps when we figure that out, we can find hope and joy in places we never thought possible.

And lest I forget to remind you, there will be lots of opportunity in Lent to gather with friends around food. We will call pancakes and soup dinners "part of our Lenten fast". But wow is it good! Come and join us.

Pastor Carl

# Youth

<sup>5</sup>You shall love the LORD your God with all your heart, and with all your soul, and with all your might. <sup>6</sup>Keep these words that I am commanding you today in your heart. <sup>7</sup>Recite them to your children and talk about them when you are at home and when you are away, when you lie down and when you rise. <sup>8</sup>Bind them as a sign on your hand, fix them as an emblem on your forehead, <sup>9</sup>and write them on the doorposts of your house and on your gates. Deuteronomy 6:5-9

We all want to see our youth grow and learn with Christ. The Bible tells us to teach our children. There is an individual at Immanuel Church that believes attending Church Services and Sunday School along with time at Mar-Lu-Ridge will help with this important mission. **We are blessed that this individual has offered to pay for children that are *actively involved* at St Paul's to go to camp at Mar-Lu-Ridge this summer!**

**Camp registration opens January 1<sup>st</sup>.** Early Bird savings of \$35 off are in effect until Feb 18<sup>th</sup> (doesn't apply to Day Camps). Thank you cards will be provided for the children to complete and Rachel to deliver to the anonymous sponsor.

Dear Sunday School Parents

At St. Paul's we believe Sunday School is an important part of our ministry, and we thank you for your participation. We are blessed to have you and your family with us!

Part of Christian Education is preparing the youth to honor the Sabbath throughout their lives. One way we do this is with Youth Sundays. They are the 1<sup>st</sup> Sunday of the month where the children take leadership roles during the service. We hope the active participation makes them comfortable with the service and choose to continue worshipping Christ throughout their lives, wherever they may go.

On Youth Sundays, please arrive by 8:50am so the other roles (Head Usher, Offering Ushers, Communion Cups ...etc) can be assigned as the children arrive.

**\*\*This is a great time to invite friends and family to join you at St. Paul's!\*\***

Attending services help your child's spiritual education and we request that you make it to at least two Youth Sunday services during this school year. Your attendance shows support for our Youth Program. We understand it can be difficult to make it to worship on a regular basis. We know you are busy, and your family is involved in many activities – *please come when you can, and as often as you can!* If there is something that will help (ex. giving the kids a ride to Church), then let us know. YouthSundays is just one way to enhance our Christian Education ministry, we welcome other ideas or suggestions.

Thank you for contributing to our Sunday School, and helping us prepare our youth for a lifetime with Christ.

## Are you interested in a Mission Trip to Puerto Rico?

A team of experienced leaders, including Pastor Carl's son-in-law Pastor Mark Parker, is working to bring together a group of adult and youth volunteers to head to Puerto Rico to help in the rebuilding effort following Hurricane Maria. We will be working with Lutheran Disaster Response, a program of Lutheran Social Services in Puerto Rico (find out more here--<http://www.sslpr.org/>). This is part of the Building Puentes initiative, a collaborative effort of the Metro DC, Delaware Maryland, and Caribbean synods of the Evangelical Lutheran Church in America. You can find out more here (<https://demdsynod.org/category/building-puentes/>) and here (<http://metrodcelca.org/building-puentes-with-caribbean-synod/>).

The hope is for half of the group to have solid construction experience, while half of the group should be physically capable of construction work and willing to learn from and assist others.

The confirmed dates are July 21st through August 3rd. You may choose one week or stay for both. The registration deadline will be April 1st, with a deposit of \$100. Second payments will be due on May 1st to allow plane tickets to be purchased (bringing the total per person to \$300). Final payments will be due on July 1st. Costs, relatively speaking, should be pretty low. The cost for one week is \$600 and for two weeks is \$900. That includes flights, all meals except when we're eating out, housing, construction supplies, and rental vans. Probably estimate about \$150 more in spending money, though some activities are optional and you might not need that much. We will be staying in the Lutheran camp in Maguayo, near Dorado. About 45 minutes west of San Juan. The camp has room for up to sixty volunteers at a time. Volunteers sleep in bunkrooms with twin-sized bunkbeds and communal showers--comfortable enough, but nothing fancy. The camp also includes a very nice pool, a chapel, office and storage areas, and a main hall for dining/meeting/organizing/relaxing. It's a good home for groups like ours.

We took around forty volunteers from the area, from at least twenty different faith communities, to volunteer over two weeks in September of 2018. The general pattern was to fly in on Sunday morning/afternoon, fly back on Saturday evening. Monday through Friday we worked construction doing rebuilding in the morning and the afternoon, with time in the late afternoon/evening for the beach, the pool, going dancing, heading out to dinner, and exploring a bit of the island. We took one half day to head across the island and visit El Yunque, an amazing tropical rainforest. We also spent a half day exploring in Old San Juan.

Our September 2018 service teams were composed entirely of adults (between ages 21 and 70) because it was during the school year. Having our 2019 service work in the summer will allow high school students (14 years and older, who have already finished 9th grade), plus college students, college staff, and teachers, able to join us in serving.

If you have questions or would like more information, whatever is available at this point, you can contact Mark Parker at [Lsmparker@gmail.com](mailto:Lsmparker@gmail.com), or, talk with Pastor Carl.

### **February 2019 Mission: NESAP**

On February 10<sup>th</sup>, we will collect a 2<sup>nd</sup> offering for NESAP

***'Soup'er Bowl of Caring empowers youth and unites communities around the time of the Big Game to help those in need. Mark your calendars now to join us!***

Since 1990, young people have been leading the charge and inspiring others to collect dollars and food around the 'Big Game'. Teaming up with local partners, these groups give 100% of donations to local charities, changing the nation's largest weekend of football into the largest weekend of caring.

**Our local partner is NESAP ('North East Social Action Program'), [www.nesapinc.org](http://www.nesapinc.org).** Some of our Sunday School students will perform a 'Soup'er Bowl skit on February 10<sup>th</sup> during the Children's Sermon. On this day, a 2<sup>nd</sup> offering will also be collected for NESAP. Remember to also bring some 'soup'er canned goods to stock NESAP pantry!

**NESAP Mission Statement:** *In Christian love, to provide crisis assistance to individuals and families with their physical, financial, and emotional needs, as an extension of the ministries of our congregations, and to proactively partner clients and professionals in our community for continued education, working toward self-sufficiency.*

**NESAP Thrift Store** provides an ever changing variety of carefully selected second-hand clothing, books, housewares, toys collectibles, and furniture. Shop at NESAP's Thrift Store! The Thrift store's proceeds fund NESAP's Assistance Programs that include financial assistance (for rent fuel, utilities, transportation and medical bills), and in addition, provide free clothing items for community members in need.

**NESAP Thrift Store · 1046 S. Carroll St., Hampstead, MD 21074**  
**Hours: Mon, Tue, Wed, Fri, Sat – 9am to 3pm and Thu – 9am to 7pm**

**Volunteers:** At the heart of NESAP are faithful volunteers who donate their time on a weekly, monthly, or as-needed basis. Volunteers help in the Thrift Store, loading dock or food pantry. Individuals, churches and business groups participate in outreach programs such as Easter and Thanksgiving food distributions; sponsoring families for Christmas; or helping with our school supplies program in the fall. If you are interested in volunteer opportunities with NESAP, please call 410-374-9099.

## **March 2019 Mission: Carroll Hospice**

On March 10<sup>th</sup>, we will collect a 2<sup>nd</sup> offering for Carroll Hospice

**Carroll Hospice** opened its doors in 1986 to offer quality and compassionate hospice care to terminally ill patients and their families in Carroll County and the surrounding areas. The program offers all components of hospice care, including medical and nursing care, counseling and spiritual and bereavement support for family and friends. They provide hospice care directly, and in cooperation with, a patient's physician and family in a loving, concerned environment—most often the patient's home. Care may also be provided at our inpatient facility, *The Dove House*.

**Mission Carroll Hospice** is non-profit organization dedicated to improving the quality of life for patients needing end-of-life care, allowing them to live as fully and comfortably as possible by providing quality palliative care, pain and symptom management and support for their families.

See [www.carrollhospice.org](http://www.carrollhospice.org) for more information, like: **What is hospice?** · *Is hospice care only for the elderly?* · *Who decides if hospice care is needed?* · *When should hospice be contacted?* · *What is the physician's role in hospice care?* · *Where can hospice care be provided?* · *How is hospice paid for?*

**Your donations help** provide quality end-of-life care and bereavement services to all those in need, regardless of their financial resources. The generosity and support of the community has helped ensure that all of their patients receive the care they need. Each year, more than 20% of their operating budget is supported through private contributions. Your gifts, no matter how big or small, help provide numerous services and programs to patients and family members, including medical supplies, pharmaceuticals and spiritual and bereavement support.

**Volunteers** play an important role in providing patients with a dignified and comforting system of care during their final days. Whether you are new to the philosophy of hospice care or have become inspired through your own personal loss of a loved one, you will find your volunteer experience with us to be personally gratifying, and will come to fully understand the value of hospice care to patients and their families. Some volunteers have professional skills or specialized expertise, but most are just people who want to help their friends and neighbors and serve the community.

# Thank You!

*Thanks to the students for all their hard work on the Christmas play.*

*Thanks to the families who got the students to church on time. You also filled the church to show your support of our program. It was wonderful to see everyone there.*

*Thanks to the teachers who helped with costumes and hosted a wonderful fellowship.*

Thank you to Madison for organizing the event.
