“From the Pastor”

“For everything there is a season and a time for every matter under heaven: a time to be born and a time to die; a time to plant and a time to pluck up what is planted; a time to kill and a time to heal; a time to break down and a time to build up; a time to weep and a time to laugh; a time to mourn and a time to dance; a time to throw away stones and a time to gather stones together; a time to embrace and a time to refrain from embracing; a time to seek and a time to lose; a time to keep and a time to throw away; a time to tear and a time to sew; a time to keep silent and a time to speak; a time to love and a time to hate; a time for war and a time for peace.” Ecclesiastes 3:1-8 NRSVUE

Sing to the tune of “These are a few of my favorite things:”
Pumpkin spice lattes and warm apple dumplings.
Cool air is coming, the crisp leaves are falling.
Get out the sweaters and cozy warm shrugs.
Fall is the time for warm snuggles and hugs.

We had a small glimpse of fall weather here about a week ago, only for “second summer” to return. Fall is a favorite season for many. A reprieve from the hot temperatures. Back to school. Favorite seasonal flavors. Beautiful foliage. But what accompanies some of our favorite things can also be a reminder of the bleakness of the season and what’s to come. Fall is a season of death. Our gardens dying. Leaves falling. No more cutting grass. And it’s getting darker. Daylight savings will be coming soon, which usually entails us all driving home from work in the dark.

But, for everything there is a season. When my husband and I were talking about changing calls, one of the things that is important to where I live is that I get to experience all four seasons. I’ve come to appreciate that even in the bleakest, darkest seasons, there is beauty and hope for what is to come.

Of course, my metaphor here is that these seasons come and go in our lives as well. We have seasons that are filled with some of the darkest points, but also seasons that are filled with great joy and life. And these seasons ebb and flow throughout our time here. But as we look around during this season of fall filled with death and decay, we also acknowledge the beauty that surrounds us. And as we find ourselves in seasons of darkness and despair, may we find that hope that comes from God who remains with us even in our darkest valleys. Because even in our sorrow, we are loved and cherished by our Lord, the only one who knows our pain and our joys.

Together we pray: Ever-present God, you are the one constant we can always count on. As the seasons of the year and the seasons of our lives change, may you remind us that you remain with us always. May we seek you in our highs and lows. And find your beauty wherever we may be. Amen.

Vacation Bible School (VBS)

ELCA Youth Gathering Highlights

After many years of fundraising, a group of 8 youth from St. Paul's, Trinity Westminster, and Zion Williamsport, along with four adult leaders, embarked on an adventure of a lifetime to New Orleans, LA to attend the 2024 ELCA Youth Gathering. 16,000 high school youth and their adult leaders from across the United States, gathered for one week to join in service, fellowship, and faith. The youth gathering carried a theme throughout the week of "Created to Be." Each day concluded with all of the youth congregating at Smoothie King Arena for a mass gathering of the 16,000. Each mass gathering included speakers, dancers, and bands that represented the word of the day through the presentation of songs, performance, and life experiences.

On our first evening, after a long day of travel, we enjoyed dinner at a New Orleans' favorite, Mulates. We were joined by our favorite bishop, Bishop Bill Gohl, and our friend Pastor Charlie Frekot. Everyone enjoyed the local Cajun cuisine- like alligator bites, frog legs, jambalaya, and etouffee.

The theme word for the first day was "Brave." We certainly were brave, as we enjoyed up close encounters with alligators on a swamp tour of the bayou in an airboat. We witnessed alligators swimming through the swamp and jumping up out of the water. Our boat guide was great, he was very knowledgeable and super comfortable with the alligators. We even had the rare experience of seeing a trio of.....raccoons! Yes, a group of raccoons stole the show, by popping up out of the brush and watched the boat guide handle an alligator. They were quite funny.

On our second day, we were created to be "Authentic." This was our Accompaniment Day or Day of Service. We assisted the organization Culture of Cleanliness, to clean a 22-acre former condo site that they hoped to return to the neighborhood for open green space. It was a super-hot and humid day, but very rewarding and we gave of our authentic selves.

Day three was our Synod Day, we were created to be "Free." We participated in worship with the other churches in our synod as well as the surrounding synods of Pennsylvania and Virginia. We saw so many friends, exchanged bracelets and stickers, sang songs, and enjoyed worship together. After worship, we participated in a synod sponsored scavenger hunt that toured us around the major sites of the French Quarter.

On day four, we were created to be "Disruptive." We started the morning with a trip to the French Quarter for some tourist shopping and concluded our afternoon at the convention center for our Interactive Learning Day.

On our final day, we were created to be "Disciples." In the morning, we concluded the gathering with a final mass gathering service at the Smoothie King arena. We were lucky to be assigned a box suite for worship (yeah!). It was a beautiful way to end the week. We then headed home in the afternoon, tired, but so incredibly thankful for a wonderful week of faith, service, and friendship.

We are created to be brave, to show up with an open mind and heart, willing to be challenged.

We are created to be authentic, to bring our whole selves and know that we are loved by our Creator.

We are created to be free, to be transformed by the gospel.

We are created to be disruptive, to work for justice for all our siblings.

We are created to be disciples, to be sent out into the world to love our neighbor just as we are loved by God.
